ABOUT US: Grace Clinic operates as a Free Clinic with support from private donations.

- **We do not offer emergency or urgent care or well visits.**
- We only pay for lab work done at the LabCorp locations on the list we provide you.
- We do not pay for medications, but we hand out GoodRx discount cards.
- We do not pay for imaging studies or specialist appointments outside this clinic.
- We are staffed mostly by volunteer doctors and nurses. We do not provide all of the services found at a typical medical, dental or counseling office.

Therefore, we do not provide medical attention related to the following:

- Chronic Pain
- New or Ongoing Cancer Treatment
- Blood Clotting Disorders
- Routine Pap Smears
- Hormonal Disorders
- Or other conditions/tests as determined by our medical provider(s)
- Additionally, we do not prescribe or dispense controlled substances or narcotics, including mental health medications like Ambien, Adderall, Lithium, Ritalin, Xanax, or Valium.

If you are looking for any of the above services or medications, you need to look for care at another facility.

IMPORTANT: You must arrive at the Clinic 30 minutes before the time of your first appointment, if you are late, we will need to reschedule your appointment. Please bring your:

- **Current Photo Identification,**
- **Proof of family income,**
- **Bottles or packages of all the medications you are currently taking.**
- **If you cannot make your appointment, call us before your scheduled appointment to cancel or reschedule. If you do not call us at 509-735-2300, and do not arrive at your scheduled new patient appointment 30 minutes beforehand, you will need to reapply the next time you call.**
